

[100% Satisfaction Guaranteed Rottler Pest Control, St. Louis - Our Promise](#)

You're probably asking yourself, "How do I know Rottler is the right company for me?" The answer is simple.

We've been serving the St. Louis area for over 50 years now. We have grown to be the largest family-owned pest management provider in Missouri, and we didn't do that on good fortune alone.

At Rottler, we stand behind our mission to give both our customers and their pests the treatment they deserve. As your service provider, we are dedicated to taking care of your problems so you don't have to worry.

If for any reason you are not 100% satisfied with our service, remember, we are just a phone call away.

It's simple: You'll be satisfied with your service or we'll give you your money back*.

When it comes to knowing St. Louis and its pests best, people choose us over the big, National companies because "WE LIVE HERE, THEY DON'T".

*Money Back Guarantee: If ever you are dissatisfied after one of your service visits, we'll make things right or refund the cost of that service visit.

If you have any additional questions, please contact a Rottler representative for further information.
