

WARRANTY

To the extent consistent with applicable law, **Suterra LLC** warrants that this material conforms to the chemical description on the label and is reasonably fit for the purposes stated in the Directions for Use. To the extent consistent with applicable law, **Suterra LLC** neither makes nor authorizes any agent or representative to make any other warranty of fitness or of merchantability, guarantee or representation, express or implied, concerning this material. To the extent consistent with applicable law, **Suterra LLC's** maximum liability for breach of this warranty shall not exceed the purchase price of this product. To the extent consistent with applicable law, the buyer and user acknowledge and assume all risks and liabilities resulting from the handling, storage, and use of this material contrary to label instructions.

PRECAUTIONARY STATEMENTS

HAZARD TO HUMANS AND DOMESTIC ANIMALS

Caution: Harmful if swallowed. Avoid contact with skin, eyes or clothing. Remove contaminated clothing and wash before reuse. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID STATEMENT

IF SWALLOWED: Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person.

IF ON SKIN: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor immediately for treatment advice. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

IF IN EYES: Hold eye(s) open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, and continue rinsing. Call a Poison Control Center or doctor for treatment advice.

HOT LINE NUMBER

Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment. You may contact Suterra at 1-866-326-6737 for emergency medical information. Hours of operation are Monday through Friday 9:00 am to 5:00 pm Pacific Standard Time (PST). For emergency information on product, uses, and treatment, etc., call the National Pesticides Information Center at 1-800-858-7378, 6:30 am - 4:30 pm Pacific Time (PT), 7 days a week. Otherwise, call the Poison Control Center at 1-800-222-1222.

ENVIRONMENTAL HAZARD

Do not apply directly to water, or to areas where surface water is present, or to intertidal areas below the mean high water mark. Do not contaminate water by cleaning of equipment or disposing of equipment washwaters or rinsate.

PRINCIPAL FUNCTIONING INGREDIENT:

(Z)-9-Hexadecenal	0.56 %
OTHER INGREDIENTS.....	99.44 %
TOTAL.....	100.00 %

**KEEP OUT OF REACH OF
CHILDREN
CAUTION**

MANUFACTURED BY:

Suterra LLC
20950 NE Talus Place

DIRECTIONS FOR USE

MIXING DIRECTIONS: Mix according to the directions for use on insecticide label. Add one capful (25 mL) of **BioAmp AA** per finished gallon of insecticide mix. Maintain constant agitation during mixing and application.

APPLICATION DIRECTIONS: After mixing one capful of **BioAmp AA** to the final insecticide mixture, apply according to the Directions for Use of the insecticide.

DO NOT use **BioAmp AA** from damaged, punctured, or unsealed containers. Use piston, diaphragm, or centrifugal pumps ONLY. DO NOT use roller or gear pumps as they will damage the **BioAmp AA** controlled release system. DO NOT use strainers or screens in spray equipment with openings smaller than 50 mesh. For best results, apply immediately after mixing. Do not let stand prior to application without thoroughly mixing again. Do not apply this product through any type of irrigation system.

GENERAL INFORMATION ABOUT BioAmp AA

SUTERRA BioAmp AA is a microencapsulated formulation of the trail pheromone of the Argentine ant (*Linepithema humile*). **BioAmp AA** has no insecticidal properties of its own. The product is added to insecticide sprays in order to synergize the effect of these sprays by increasing ant movement and activity in areas where the insecticide is applied. This increases the exposure of the ants to the insecticide, providing greater efficacy. **BioAmp AA** is intended for mixing and application with non-repellent insecticides only.

STORAGE AND DISPOSAL

DO NOT contaminate water, food, or feed by storage or disposal. **STORAGE:** Store in a cool place until used. Reseal containers immediately after use. Protect from freezing.

DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Plastic Containers: Nonrefillable container. Do not reuse or refill this container. Triple rinse (or equivalent). Then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned stay out of smoke.
