

Read entire label before use. Yard Gard™ is an all-natural product designed to deter burrowing and rooting animals. BGA Industries, LLC represents that the ingredients in this product qualify for exemption from registration under FIFRA, Section 25 (b); therefore, this product has not been registered by the U.S. Environmental Protection Agency.

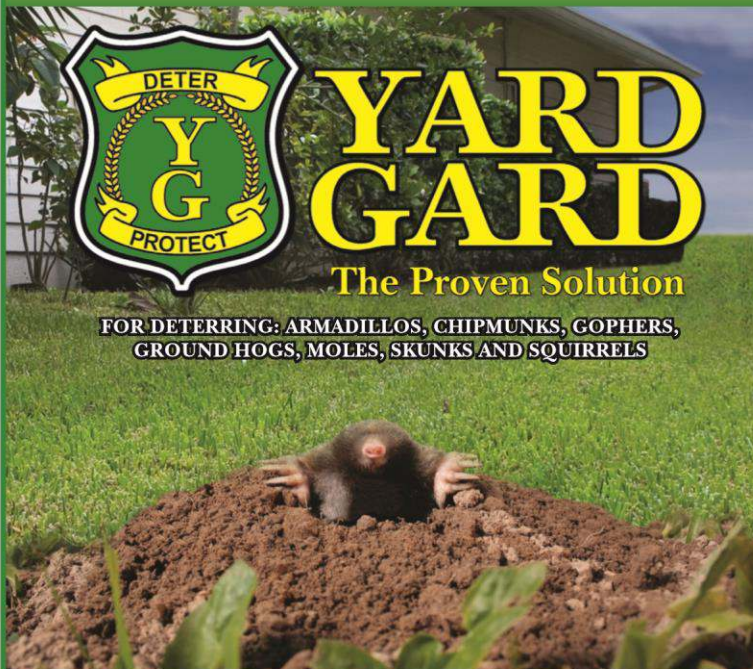

PRECAUTIONARY STATEMENTS

This product can cause irritation to eyes, mouth, lungs and skin. Avoid breathing dust; avoid contact with eyes. Should eye contact occur, flush well with large amounts of fresh water. Wearing of mask or goggles and gloves are recommended. Wash hands thoroughly with soap and water after application of this product. **Yard Gard™** contains pepper; **if allergic to pepper, avoid use.** 1-800-222-1222 is the National Poison Control Center. If needed, call poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment. Keep children and pets off treated area until after the first watering session; **allow grass to dry before allowing children or pets to play on the treated area.**

DIRECTIONS FOR USE

Apply **Yard Gard™** by spreading over lawns, gardens, mulched areas and around shrubs. Water the treated areas twice per week for the first two weeks; water releases the ingredients. For best results allow 7 to 14 days to leach into soil.
