

## ROTTLER WILDLIFE SOLUTIONS

We provide fast, effective and humane removal and exclusion for homes and businesses. We stand behind our exclusion work with a one year warranty. If you have additional wildlife issues within that time, simply give us a call. We will return and retreat to keep your home critter-free.

## HOW OUR WILDLIFE REMOVAL WORKS

- 1 Initial Inspection:** Our wildlife removal specialist will conduct a complete interior and exterior inspection of your home, including the attic, garage, and basement to identify types and areas of infestation and entry points.
- 2 Wildlife Removal:** Once the critter(s) are identified, we will take care of properly and humanely trapping and removing any unwelcome wildlife.
- 3 Damage Repair & Exclusion:** We will seal off all entry points to harborage areas to ensure that re-entry is not a possibility for additional animals. \*Removal of droppings, stored food, nests, etc. available as additional service option.

### INSPECTION

Our experienced team will search high and low to find a solution to your problem.

### ANIMAL TRAPPING + REMOVAL

Animals are properly caught and removed from your home safely.

### EXCLUSION

This is important to exclude these vents with a strong well ventilated product.
